Thank you for your message regarding the Dakota Access Pipeline. It will be posted in the South Dakota Public Utilities Commission's formal pipeline siting docket, HP14-002, under Comments and Responses. Here is a link to the docket: http://www.puc.sd.gov/Dockets/HydrocarbonPipeline/2014/hp14-002.aspx The commission issued its order approving of the construction permit on Dec. 14, 2015 with 70 conditions. Here are links to the order: http://www.puc.sd.gov/commission/orders/hydrocarbonpipeline/2015/hp14-002decision.pdf and the conditions: http://www.puc.sd.gov/commission/orders/hydrocarbonpipeline/2015/hp14-002decisionexhibita.pdf. I encourage you to read these, given your interest in the permit.

Since construction of the pipeline is not completed, this remains an open docket and correspondence is posted in the public docket so commissioners and all parties to the case have access to it.
