STATE OF SOUTH DAKOTA)
:ss
COUNTY OF Hughes)

Rob Sherer, first being duly sworn on oath, states and alleges as follows:

I.

That Affiant is an ag pilot in South Dakota.

II.

That Affiant won't spray fields by wind turbines due to the danger; he never has and never will. Affiant's son is starting out as an ag pilot and Affiant will discourage his son from spraying near wind turbines as long as he has any influence over him.

III.

That Affiant looked at the map of the proposed turbines and the layout of some would make it impossible to spray fields. Affiant believes there is not enough money in the job to make it worth the risk. Some pilots will take the risk but as far as Affiant is concerned, it is an unacceptable risk.

FURTHER AFFIANT SAYETH NOT.
