Explain your interest in applying for party status below.

Since Summit first entered our state, they have claimed repeatedly that they would work with landowners in a respectful manner in order to obtain easements. Instead, they have resorted to tricking, threatening, intimidating and bullying to try to have their way. Most egregiously, SCS has refused to disclose the threat of serious injury to those along the proposed pipeline route, jeoparadizing their helath, safety and welfare.
Summit has demonstrated over and over again that it does not intend to comply with applicable SD laws and rules. They have shown us who they are, and it is a horrifying image.
I hope the PUC will use its authority to send a clear message to Summit and its investors that the majority of the people in SD have spoken, and we do NOT want our land desecrated or our natural resources squandeered by a hazardous CO2 pipeline project. Please inform SCS that SD laws and rules will not be compromised. I urge each of you to deny Summit's permit. They have made it abundantly clear that they are not up to South Dakota standards.

Deadline: This application must be filed with the Public Utilities Commission on or before 5:00 p.m. CT, Jan. 24, 2025. File this completed form electronically at puc.sd.gov/EFilingOptions.aspx
