EL13-012

On April 30, 2013, the South Dakota Public Utilities Commission (Commission) received an electric service territory boundary agreement between Cam-Wal Electric Cooperative, Inc. (Cam-Wal) and Oahe Electric Cooperative, Inc. (Oahe) and on June 13, 2013, the Commission received a revised territory agreement between these utilities. This filing is made pursuant to current efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Commission Staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information. Commission Staff asks for approval of the agreement to update official mapping data to properly reflect the service territory boundaries shared by the utilities in this docket.

On May 2, 2013, the Commission electronically transmitted notice of the filing and the intervention deadline of May 17, 2013, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. No petitions to intervene or comments were filed. The Commission has jurisdiction over this matter pursuant to SDCL 49-34A, specifically, 49-34A-42, 49-34A-43 and 49-34A-55.

At its regularly scheduled meeting on June 18, 2013, the Commission considered this matter. Commission Staff requested approval of the revised agreement in order to update official electric service territory mapping data to accurately reflect current service territories served by the utilities. The Commission voted unanimously to approve the agreement. It is therefore

ORDERED, that the request for approval of the agreement to update mapping data to reflect current electric service territory boundaries shared by Cam-Wal and Oahe is hereby granted.

Dated at Pierre, South Dakota, this 20 day of June, 2013.
