On November 27, 2013, the South Dakota Public Utilities Commission (Commission) received a filing from Commission Staff (Staff) of an electric service territory boundary agreement between Howard Municipal Electric and Northern States Power Company dba Xcel Energy (Xcel). This filing is made pursuant to current efforts of the PUC to verify electric territory mapping data for conversion to electronic format and use in a Geographic Information System (GIS) database. With the assistance of the above-referenced utilities, Staff has confirmed the service territory boundary shared by these utilities and has prepared updated mapping information.

On November 27, 2013, the Commission electronically transmitted notice of the filing and the intervention deadline of December 13, 2013, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. No petitions to intervene or comments were filed. The Commission has jurisdiction over this matter pursuant to SDCL 49-34A, specifically, 49-34A-42, 49-34A-43 and 49-34A-55.

At its regularly scheduled meeting on January 7, 2014, the Commission considered this matter. Staff requested approval of the agreement in order to update official electric service territory mapping data to accurately reflect current service territories served by the utilities. The Commission voted unanimously to approve the agreement. It is therefore

ORDERED, that the request for approval of the agreement to update mapping data to reflect current electric service territory boundaries shared by Howard Municipal Electric and Xcel is hereby granted.
