Ms. Patricia Van Gerpen  
Executive Director  
Public Utilities Commission  
State of South Dakota  
Pierre, SD 57501

Dear Ms. Van Gerpen:

Enclosed is the detail of the determination of the fuel adjustment factor for the three months ending July 2018. The new adjustment factor is applicable on bills dated on and after September 4, 2018 (Billing Cycle 1).

The calculation was made in compliance with the Fuel Adjustment Clause Rider, Electric Rate Schedule – Section 13.01, as approved by the South Dakota Public Utilities Commission in the Order Approving Tariff Revisions to Include Emissions Controls Costs dated September 18, 2014, in Docket No. EL14-070.

As approved in Docket Nos. EL10-011 and EL08-030 the calculation includes the updated Non-Asset Based Margins.

Otter Tail Power Company (Otter Tail) submits the following attachments:

- 1) Calculation of the September 2018 Fuel Adjustment Clause Rider based on the three-month period ending July 2018.

Purchased power in July was a negative amount due to the recognition of a settlement with another utility in Otter Tail's Local Balancing Authority. Incorrect metering was discovered at one of that utility's generating units which impacted settlements from prior periods that have now been corrected through this settlement. These corrections and the associated settlement were for periods outside the MISO 105-day settlement period.

- 2) South Dakota Over/Under Recovery (2 pages).
