I and my siblings own the 1/4 section legally described as the NW 1/4 of 4-99-51 in Lincoln County, SD. located at the intersection of Highway 17 and 273rd St. The proposed Dakota Access Pipeline plan cuts diagonally thru our farm from the NW corner to the SE corner. This will be an extreme detriment to my family as it will have a severe impact on its value. This is located close to Tea. I have concerns about the economic and environmental impact both long and short term and the potential negative impact for future development, not only for our farm but the area in general. I request approval for Party Status.

Subscribed and sworn to before me this 10th day of February, 2015.
