Corliss F Wiebers

(Name of Applicant)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

The current route of the Dakota Access Pipeline runs diagonally through the quarter of land owned by my siblings and I. I am very concerned about the damages this pipeline will cause. Those issues include economic loss, environmental damages and loss of future development. These concerns are for the current time and for many years into the future. The legal description of the land is the NW ¼ of 4-99-51 in Lincoln County located at the intersection of Highway 17 and 273<sup>rd</sup> St. I respectfully request approval for party status.
