Subject: Re: HP14-001 - Prehearing Scheduling Conference Order & Affidavit of Service

As TransCanada wishes to define the Scope of Discovery under SDCL 49-41B-27 (Motion) by Interested Individuals, in the case of the Keystone XL Pipeline, I, Carolyn P. Smith, make a motion to remove that topic from the agenda of the South Dakota Public Utilities commission meeting on November 25th, 2014, and to table the issue to a later date, to be determined by consensus of the Interested Parties, - if indeed it ever needs discussion.

Respectfully submitted 11-13-14 12:16,
Carolyn P. Smith
