RE: HP14-001 Keystone's Motion to Define the Scope of  
Discovery ~ SDCL 49-41B-27

Commission and Intervenors,

We are writing to object to Keystone's motion to limit  
discovery as filed on 10/30/14.

We, as affected landowners and all concerned citizens  
should be granted the right to speak about all of our  
concerns about this project and not to be limited by  
TransCanada.

We and our families, are the ones, "citizens of the  
United States", who will be affected by this project ~  
TransCanada is the foreign company in our country.

Thank you for taking the time to listen to our concerns.

Byron and Diana Steskal
