On September 15, 2014, TransCanada Keystone Pipeline, LP (TransCanada or Keystone) filed with the South Dakota Public Utilities Commission (Commission) a Petition for Order Accepting Certification under SDCL §49-41B-27 seeking an order accepting certification of the energy facility permit issued in Docket HP09-001 for construction of the Keystone XL Pipeline. On June 29, 2010, the Commission issued an Amended Final Decision and Order; Notice of Entry granting a permit to TransCanada for construction of the Keystone XL Pipeline. TransCanada now seeks an order accepting certification pursuant to SDCL 49-41B-27. The Commission has jurisdiction over this matter pursuant to SDCL Chapters 1-26 and 49-41B, specifically 49-41B-27, and ARSD Chapters and 20:10:01 and 20:10:22.

On September 18, 2014, the Commission electronically transmitted notice of the filing and the intervention deadline of October 15, 2014, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. Applications for Party Status were received from forty-three persons, and on November 4, 2014, the Commission issued an Order Granting Intervention and Party Status to forty-two of the applicants. Three parties have since been granted withdrawal of party status. On December 17, 2014, the Commission issued an Order Granting Motion to Define Issues and Setting Procedural Schedule. On May 5, 2015, the Commission issued an Order Amending Procedural Schedule. Per the Order Amending Procedural Schedule, parties were required to file witness lists and exhibit lists by July 7, 2015.

On April 2, 2015, Cindy Myers pre-filed testimony. On August 3, 2015, Ms. Myers testified during the hearing. Keystone objected to her testimony. In the interests of time, the parties agreed that Keystone's objections would be submitted in writing and ruled upon after the completion of the hearing.

On September 21, 2015, the Commission received Keystone's Motion to Strike Testimony and Exhibits of Cindy Meyers. It is therefore

ORDERED, that a hearing on Keystone's Motion to Strike Testimony and Exhibits of Cindy Meyers will be held by the Commission at its regularly scheduled meeting on October 29, 2015, beginning at 9:30 A.M. CDT in Rm. 413, Capitol Building, Pierre, SD.

Dated at Pierre, South Dakota, this 15th day of October, 2015.
