SOUTH DAKOTA PUBLIC  
UTILITIES COMMISSION

Pursuant to SDCL 49-41B-17,

Bonny Kilmurry

(Name of Applicant)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I am Bonny Kilmurry, a Nebraska landowner threatened by the dangers of TransCanada XL Pipeline. The environmental damage caused to Canadian land by the harvest of the tarsand is visible from space. This process is carried out with complete disregard for the waterways, land and livelihoods of the Indigenous Peoples of Canada. TransCanada came into Nebraska using the high pressure threat of exercising eminent domain to take our land. If TransCanada is allowed to treat US Citizens this way, I fear that if they receive permits to continue this pipeline our land, people and water will be badly abused and disrespected as Canadian land and people. Generations to come deserve clean water, air and land that sustains them. It is time for South Dakota to stop TCKXL. It's not IF polluting leaks happen but when.
