

DAKOTA CENTRAL

I SUPPORT THE CROWNED
RIDGE WIND PROJECT. IT'S
GOOD FOR OUR COMMUNITY.

South Dakota has
so much wind
that we might as
well put it to
good use by having
wind towers.
And we need more
power for electricity.

I SUPPORT THE CROWNED
RIDGEWIND PROJECT. IT'S

I ~~saw~~^{seen} in the
Watertown paper where
a guy had 7 or 8
towers on his land.
And he said it is very
rare that birds get
killed.

People should look
at the road kill on the
highways, making our roads
messy

Mr. Leroy Wickamp

I am a property owner in
Deuel Co, SD who signed up
with the Crowned Ridge
project a year ago. Having
grown up in Deuel County, I
know the people are very
dependent on grain, cattle and
other markets. This is an
opportunity to supplement
those sources of income and
also bring some diversification.
I hope your group considers this
aspect when making your
decisions.

Sincerely,
