

Appendix III

Aerial Photographs of Additional Grassland Survey Areas in Nebraska

CONFIDENTIAL

436

An aerial photograph showing a coastal region. In the foreground, there is a large green field, possibly a golf course, with some brown patches. A road or path runs vertically through the field. To the right, the land meets the sea. A point on the coastline is marked with a small circle and the number '436'. The image is overlaid with several lines: a thick black diagonal line from the top left, a green line running parallel to the coastline, and two yellow lines running parallel to the green line.
