Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

In regards to the keystone xl pipeline I am asking you the P.U.C. to protect the porous permeable soils of the Sandhills and Southern S.P. the extremely valuable Ogallala Aquifer lies under this same ground. These kinds of mass infrastructure should only be placed in clay based soils. A rancher landowner and member of the Cowboy Indian Alliance asking you to intervene in this permitting process to protect these natural resources.
