Docket Number: HP14-001 Last Name: Mitchell First Name: Sue Company: Individual Address: [REDACTED]  
[REDACTED] Fax: Email: [REDACTED] Comments: I

am in opposition to the construction of the Keystone KL Pipeline Project across South Dakota. I am a landowner in Holt County NE. My family is affected by this pipeline and I feel the proposed route is unacceptable. Going through SD and reservations is not in the best interest of SD. Reservations are a sacred place for our Native Americans. This Pipeline has only brought heart aches to those and land owners in NE. They have not considered the land of the Native Americans and land owners of NE. We are the steward of the land and we know it needs to be protected from a foreign oil company trying to take over our rights of American Citizens. This is not in the Nation Interest and we need to stop it from going through SD and NE. It starts with us. Thank you for our consideration and saying no to the KXL Pipeline Project.
