West Central Electric Co-op CEO Reed:

Thank you for your letter regarding the Keystone XL pipeline certification docket as well as a copy of West Central Electric's Board resolution provided to the U.S. Department of State. These will be posted in the electronic public record so my fellow commissioners and other parties in this docket can read it. Here is a link to the docket, HP14-001: <http://www.puc.sd.gov/Dockets/HydrocarbonPipeline/2014/hp14-001.aspx>

Here are links to two documents found on the PUC's home page online. The first is titled Pipeline Siting Info Guide and the second is Keystone XL Pipeline Updates. These documents explain the processing of a pipeline siting case according to the South Dakota laws governing this commission. The latter links to some of the most-often-heard questions about the project and process and the answers.
