(Name of Applicant)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I have an extensive family that lives in South Dakota. Their water sources come from both the Oglalla Aquifer AND the Missouri River. I am deeply concerned for the strong possibility of contamination when the Keystone XL pipeline will leak - and the lack of proper safety protocols when that event occurs.

I also express concern over the lack of proper consultation with the tribes of South Dakota.
