RE: HP14-001, Applicant's Motion to Strike Testimony and Exhibits of Cindy Myers

Ms. Van Gerpen,

While Staff does not intend to submit a response to Applicant's Motion to Strike Testimony and Exhibits of Cindy Myers, it was noted that the list of exhibits provided to the court reporter does not contain the same numbering as the most recent list of exhibits submitted by Ms. Myers in the docket. Therefore, for the convenience of the Commission and all parties, administrative staff compiled a list from the flash drive submitted by Ms. Myers. This list is attached to this letter and is the most recent exhibit list to Staff's knowledge. Please note that you may have to refer to the exhibit list in the docket for links to online documents.

Sincerely,

Kristen Edwards
Staff Attorney
