Docket No. HP14-001

**IN THE MATTER OF THE APPLICATION OF TRANSCANADA KEYSTONE
PIPELINE, LP FOR ORDER ACCEPTING CERTIFICATION OF PERMIT ISSUED
IN DOCKET HP09-001 TO CONSTRUCT THE KEYSTONE XL PIPELINE**

35. You listed a number of tribal resolutions that were passed in response to the threat of the proposed pipeline. Do you know of any other tribal governing documents or agreements that have been adopted in response to the proposed project?

A. Yes, there is the International Treaty to Protect the Sacred which was signed January of 2013. There is also the Mother Earth Accord, which several tribes have adopted including the Oglala Sioux Tribe. Both of these documents express tribal opposition to the Keystone XL pipeline and development of the tar sands because of the threat to Mother Earth.
