Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I am interested in becoming a party to the permit proceeding regarding the construction of the Keystone XL Pipeline. I am currently a resident of South Dakota who owns land in Lyman County and Tripp County. Since the proposed Keystone XL Pipeline will cross parts of those counties, I am very concerned about the effect this project will have on my land interests. Thus, I respectfully request to be allowed to intervene in these matter.

Subscribed and sworn to before me this 7th day of October, 2014.

My Commission expires: Sept 2 2020

The petition was filed Sept. 15, 2014. This Application for Party Status form must be filed in the Commission's offices on or before Oct. 15, 2014.
