BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE APPLICATION OF DAKOTA ACCESS, LLC FOR AN ENERGY FACILITY PERMIT TO CONSTRUCT THE DAKOTA ACCESS PIPELINE)))))))	APPLICATION FOR PARTY STATUS HP14-002 **RECEIVED** FEB 1 2 2015 SOUTH DAKOTA PUBLIC UTILITIES COMMISSION

Pursuant to SDCL 49-41B-17 and ARSD 20:10:22:40   _Janice E. Petterson_

(Name of Applicant)

petitions the Public Utilities Commission to be granted party status in the above-referenced facility permit proceeding.

Briefly explain your interest in this permit proceeding. Form is limited to 1000 characters.

I and my siblings own the 1/4 section legally described as the NW 1/4 of 4-99-51 in Lincoln County, SD. located at the intersection of Highway 17 and 273rd St. The proposed Dakota Access Pipeline plan cuts diagonally thru our farm from the NW corner to the SE corner. This will be an extreme detriment to my family as it will have a severe impact on its value. This is located close to Tea. and I have concerns about the economic and environmental impact both long and short term and the potential negative impact for future development, not only for our farm but the area in general. I request approval for Party Status.
