**Ryan Ledin**

**Email: ryan.ledin@NRG-LLC.com**

Ryan is an Associate Consultant in Natural Resource Group, LLC's (NRG) Minneapolis office. He has been working in the industry since 2010 and specializes in environmental permitting and reviews, regulatory compliance, and environmental inspection and monitoring. Ryan has experience with National Pollutant Discharge Elimination System (NPDES) permitting throughout the United States; conducting dig site and regulatory analyses; preparing environmental reports, and drafting Public Service Commission (PSC) route and corridor applications; and compliance monitoring on Federal Energy Regulatory Commission (FERC)-regulated projects. Ryan has certifications in Erosion Control Inspection/Installation and the Design of Construction Stormwater Pollution Prevention Plans.

### **Selected Project Experience**

- Alliance Pipeline, L.P., Tioga Lateral Project, 2012 to Present, 80 miles of natural gas pipeline and a new compressor station in North Dakota: Construction Compliance Coordinator responsible for providing project support, preparing variance request to the FERC, and Environmental Inspector's daily reporting.
