**Subject:** CIV 06-372; EL06-011 Appellant's Brief deadline

In response to your letter of October 2, 2006 regarding the due date for Appellant's Brief, we filed the administrative record with the Court on September 29. Since the 30th day following our date of filing, October 29, falls on a Sunday, my calculation of the due date for Appellant's Brief is also October 30.
