Re: Docket CT03-065

Dear Sir or Madam:

Please accept the following as S&S Communications'/Alterna-Cell's response to the Complaint that has been filed in the above-referenced docket.

S&S Communications admits that it entered into a pre-paid long distance contract with the Complainant. Unfortunately, and although it desired to do so, S&S Communications became financially unable to continue providing service under the contract.

S&S Communications will resist any effort by the Complainant to seek recovery from the bond and/or Letter of Credit that S&S Communications has in place at the Public Utilities Commission due to the fact that the Complainant is a wireless subscriber and the bond and/or Letter of Credit were not put in place for the benefit of S&S Communications' wireless subscribers.

Thank you for your attention to this matter.

Sincerely,

Les S. Sumption
President, S&S Communications
