RE: CT02-080

Dear Mr. Bossert,

I have received and am reviewing your complaint against S&S Communications. S&S has defended on your complaint on the basis that your contract was for wireless phone service. Could you please provide copies of any contracts or respond otherwise indicating whether your service was for wireless service?

Thank you for your assistance.

Sincerely,

Kelly D. Frazier
 Staff Attorney

THE CONTACT (copy of receipt attached) was/is for wireless phone service. We changed from a flip phone to a bag phone w/ roof mounted antenna. We had/have a 10 year long term contract w/ S&S Communications.

How do they defend on wireless service? whatever the case, we are out 3+ years of service, which equal to nearly \$50. What are the chances of recouping any of this? Thanks

Curt Bossert
