Thank you. Although I haven't received written confirmation from staff's counsel, I spoke with her, and she agrees to the extension on behalf of staff. Please consider this email as confirmation that the due date for filing direct testimony in Docket CT05-007 is extended to October 9, 2006 per stipulation of the parties.

**Subject:** CT05-007 Extension of time for filing testimony

Pat Mastel called me a few minutes ago and asked what would be necessary to obtain an extension of the October 2 date for filing direct testimony set forth in the Commission's Scheduling Order to facilitate on-going settlement discussions. If counsel for each of the parties sends me an email stating that they are agreeable to an extension to October 9, I will treat that as a stipulation to the extension. I will send you an email confirming the extension, but I may not get that out until Monday as I have to leave soon. Thank you.
