re: MID CONTINENT COMMUNICATIONS OF SOUTH DAKOTA INC., in the matter of a complaint
 filed by myself, I Gary L. Loudner, of rural Pennington County, South Dakota,
 (the United States of America), pertaining to recent telephone service outages.

TO: the State of South Dakota, Public Utilities Commission, (DOCKET #CT08 0003)
 WHOM IT CONCERN: *Fax via (605) 773.3225* PUC file #0053

Within W Tom Simmons, Mid Continent Communications of SD Senior Vice President of
 Public Policy's June 18, (2008) correspondence to the PUC, he stated within the Corres-
 pondence, I and him (Mr Simmons) spoken about these/recent chain of digital telephone service outage(s)
 and I have NO recollection of them and the last time I spoken to W Tom Simmons was in
 April 2008 concerning an issue about campaign advertising on his Employer's Rapid City SD area
 cable television systems and Mr Simmons(then) to chosen to denial access to these
 cable systems' weather channel for an ad crawl. As most of you, recall, I was a
 South Dakota Legislative (district 33 House of Representative candidate) before the
 June 3(2008)primary election.

Therefore, I am requesting NO consideration of David A Gerdes motion to Dismiss!

GLL/ Jenny:

With best wishes, I am,
