JOINT REQUEST FOR ELECTRIC SERVICE TERRITORY EXCEPTION

Sioux Valley Southwestern Electric (SVSW) and Kingsbury Electric Cooperative, Inc. (KEC) jointly request an exception to the existing electric service territorial agreement to permit SVSW to provide electric service to Lon Hall for a new rural residential service in the Northwest quarter of Section 6, Township 112 North, Range 52 West. A drawing of the service site, Exhibit A, is attached for your information.

Representatives of both SVSW and KEC have concluded that, in this instance, the customer's interest will be best served by receiving service from KEC and have agreed that we should request an exception to the existing territorial agreement.

We have also agreed that each such instance where territory boundaries become a factor should be dealt with on an individual basis.

This consent on the part of SVSW is limited to the said service to Lon Hall and will automatically terminate upon removal or abandonment of such service.

This exception is not to be construed as having any impact upon or indicating a desire to change the service area assigned by the South Dakota Public Utilities Commission.

RIGHTS EXCEPTION

EL01-016

On July 2, 2001, the Public Utilities Commission (Commission) received a joint request from Sioux Valley-Southwestern Electric Cooperative, Inc. (SVSW) and Kingsbury Electric Cooperative, Inc. (KEC) seeking approval of an agreement for a service rights exception. The purpose of the filing was to seek Commission approval for an exception to the existing electric service territorial agreement. According to the application, "Kingsbury Electric Cooperative, Inc. and Sioux Valley-Southwestern Electric Cooperative jointly request an exception to the existing electric service territorial agreement to permit Kingsbury Electric Cooperative, Inc. to provide electric service to the Lon Hall residence in the Northwest quarter of Section 6, Township 112 North, Range 52 West."

SVSW and KEC have entered into an agreement entitled "Joint Request for Electric Service Territory Exception" dated June 21, 2001, and have filed same along with a map delineating the affected territories as well as a signature of consent signed by the affected customer concurring with the service rights exception. The agreement stated that the "consent on the part of SVSW is limited to the said service to Lon Hall and will automatically terminate upon removal or abandonment of such service."

The Commission finds that it has jurisdiction over this matter pursuant to SDCL 49-34A, specifically, 49-34A-4, 49-34A-42, and 49-34A-55. Further, the Commission finds that the service rights exception is in the public interest and the request shall be granted. As the Commission's final decision in this matter, it is therefore

ORDERED, that the request seeking approval of a service rights exception is hereby granted.
