AGREEMENT FOR ELECTRIC SERVICE TERRITORY EXCEPTION

Sioux Valley Southwestern Electric Cooperative, Inc., doing business as Sioux Valley Energy (SVE) and Lyon Rural Electric Cooperative, Inc. (LREC) agree to an exception to the SVE electric service territory permitting LREC to provide electric service to a new rural residential service in the West half of the Southwest quarter of the Southwest quarter of Section 32, Township 101 North, Range 47 West, in Minnehaha County, South Dakota. (SVE map location 21-4-32-3) A drawing of the service site, Exhibit A, is attached.

The Parties have concluded that, in this instance, the customer's interest will be best served by receiving service from LREC. The Parties also agree that future instances where territory boundaries become a factor should be dealt with on an individual basis.

This consent on the part of SVE is limited to the said service for Joel and Dawn Grim and will automatically terminate upon removal or abandonment of such service.

This exception is not to be construed as having any impact upon or indicating a desire to change the service area assigned to SVE by the South Dakota Public Utilities Commission.
