SOUTH DAKOTA PUBLIC

IN THE MATTER OF TATANKA)
WIND POWER, LLC, proposed wind power)
Facility in McPherson County, South Dakota,)

Docket EL06-027

Amendment to Petition for Declaratory Ruling

Tatanka Wind Power, LLC, "Tatanka" hereby amends its Petition for Declaratory Ruling in the aforementioned docket as follows:

1. In regard to our recent filing with the South Dakota Public Utilities Commission relating to a request for Declaratory Ruling concerning the Tatanka Wind Power, LLC ("Tatanka") wind project, we stated that Acciona Wind Energy USA LLC ("AWE") is the parent company of Tatanka when in fact Tatanka is currently owned jointly by AWE and a joint venture partner, Global Winds Harvest, Inc. ("Global Winds"). AWE is in the process of acquiring Global Wind's equity interest in Tatanka and in a brief period of time, Tatanka will be a 100% subsidiary of AWE. In the meantime, AWE and its representatives control the development of the Tatanka wind project and are authorized to make filings on behalf of Tatanka.

2. Further, for the Commission's information, the transmission facility in McPherson County will be approximately 1200 feet from the North Dakota border and a transmission line of 230 kV will run from said transmission facility into Dickey County, North Dakota, at which point said line will be under the jurisdiction of the North Dakota Public Service Commission.

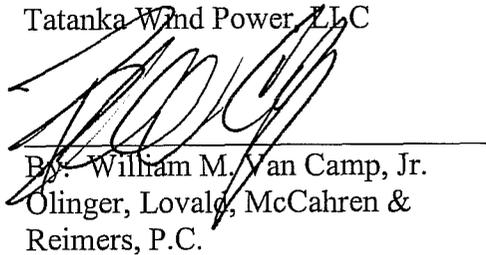

3. Further, for the information of the Commission, as presently envisioned, the generators will connect directly to the collector station in McPherson County via an underground 34.5 kV electrical power collection system. These individual lines will be underground both as they come from North Dakota and South Dakota turbine sites and will reach the collector station in McPherson County independently. It is possible that several generators will transport power to the collector station above ground for a short distance only.

4. Applicant states that all other statements and information in its initial filing and Petition for Declaratory Ruling are true to the applicant's knowledge and belief and are hereby reaffirmed.

WHEREFORE, applicant prays that the Commission render its declaratory ruling as originally requested in this manner.

Dated this 5th day of November, 2006.
