Re: In Matter of Tatanka Wind Power, L.L.C.  
Docket EL06027

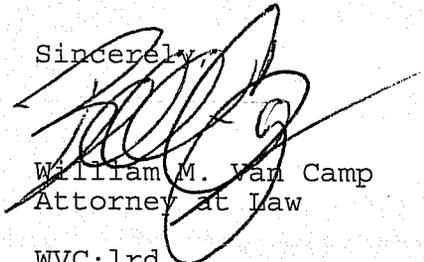

Dear Ms. Van Gerpen:

Due to some scheduling conflicts we would ask that the hearing on our Request for Declaratory Ruling in the aforementioned docket, be held at the regularly scheduled Commission meeting of December 6, 2006. My client would appreciate the opportunity to be represented in person by Marcus V. da Cunah.

I understand that the time for intervention in this docket has not expired and we still face the possibility of intervention occurring. If that does happen and this needs to be moved back further, we would understand.

If you are able to accommodate us on the docket of December 6th, please let me know. If you have any questions or need further information from me, or if in the opinion of your counsel we should file a formal motion to extend the time for the hearing date, please let me know and I will take whatever steps you deem necessary.

Sincerely,

William M. Van Camp
