RE: SD PUC Docket EL06-029 In the matter of the filing by Otter Tail Corporation d/b/a Otter Tail Power Company for approval of a tariff revision for Valley Queen Cheese

Dear Mr. Jacobson:

As previously discussed, Valley Queen Cheese has made their decision regarding the Bulk Interruptible Rate (BIR). They have decided to not continue with the BIR, and have opted for our Large General Service Tariff. Their contract was set to expire on January 1, 2007, but we were granted a 30-day extension by the SD PUC to enable Valley Queen to consider their options. Otter Tail intends to have an electric service agreement (ESA) with the customer that abides by our current tariffs. If the agreement has something that is not contained in our tariffs, we will proceed to file the ESA with the SD PUC.

Enclosed you will find a copy of Otter Tail Power Company's Summary of Contracts with Deviations Sheet No. 4 for your file, with the BIR Contract with Valley Queen Cheese removed.

If you have any questions regarding this filing, please contact me at 218-739-8896 or at dross@otpco.com.

Sincerely,
