Re: Generator Interconnection
Procedures
Docket No. EL07-030

Dear Ms. Van Gerpen:

Montana-Dakota Utilities Co., a Division of MDU Resources Group, Inc. (Montana-Dakota) herewith electronically files a request to withdraw the Guidelines for Interconnection Requirements and Parallel Operation of Customer Owned Generation submitted on September 26, 2007 in compliance with the Commission's Order issued on July 26, 2007 in Docket No. EL06-018.

As a result of the Commission's rulemaking decision in Docket No. RM08-002, the interconnection requirements will be governed by ARSD 20:10:36 and the Company's submission of interconnection guidelines is no longer required.

Montana-Dakota is resubmitting for Commission approval Section 1, 9th Revised Sheet No. 1.1 Table of Contents and Section 5, Original Sheet No. 18 entitled Guidelines for Interconnection Requirements and Parallel Operation of Customer Owned Generation Rate 137 as revised to refer to ARSD 20:10:36 for interconnection requirements.

Included herein is a second set of the affected tariffs on which Montana-Dakota has indicated the revisions requested by lining through the existing language which the Company proposes to delete and highlighting the new language proposed.

Sincerely,

A handwritten signature in black ink that reads 'Donald R. Ball'.
