RE: Buffalo Ridge II  
Our File: 5577

Dear Landowners:

On behalf of Iberdrola Renewables I am pleased to give you notice of an upcoming public meeting convened by the South Dakota Public Utilities Commission to take public comments concerning the proposed Buffalo Ridge II Wind Farm.

You are receiving this notice because you are the landowner of record in the affected area in Brookings and Deuel Counties in South Dakota, where the proposed Buffalo Ridge II Wind Farm is to be sited.

Pursuant to law, the Public Utilities Commission will hold a public hearing to take comments from the public. The hearing will be held in the Daktronics Banquet Room of the Swiftel Center located just east of Brookings on Highway 14 at 6:00 o'clock p.m. on January 5, 2009.

Iberdrola Renewables will present a short presentation designed to give context to the comments of the public regarding the proposal. The great bulk of the time will be reserved for accepting public comments on the proposal. You can learn more about the proposal by accessing a copy of the Application online at the South Dakota Public Utilities Commission website: <http://puc.sd.gov/Dockets/Electric/2008/el08-031.aspx>. Additionally, we have filed copies of the Application with the Auditors of Brookings and Deuel Counties and the Applications can be viewed there.

Very truly yours,

MAY, ADAM, GERDES & THOMPSON LLP
