

Last Name: Mitchell
First Name: Steven
Company: NA
City: Sturgis
State: SD
Zip: 57785

Comments: Before Black Hills Power is granted any rate increase, the PUC has got to start implementing restrictions on BHPs philanthropic giving of consumer's money. Last week, BHP donated \$195k to the United Way. BHP spends a large amount of money on television advertisements. It donates large sums of money to create or expand sports facilities. Does the PUC know how much BHP donates each year? It is a large sum of the consumer's money. This type of corporate giving should not be allowed by a company who is regulated by the PUC and whose revenues are derived from the consumer.
