South Dakota Public
Utilities Commission
Pierre So Dak.

RECEIVED

NOV 18 2009

SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION

I am writing this letter in protest of
the 26% increase that Black Hills Power
plans to impose on its consumers of
which I am one. Of course they should get
an increase but 0% or 8% let their investors
help pay for the project. Please say no to this
huge increase.

Thank you for letting me give my opinion

Donley Peterson
