

**RICHLAND TOWNSHIP AGREEMENT
FOR USE AND RESTORATION OF HAUL ROAD**

WHEREAS, The South Dakota Public Utilities Commission has authorized the CapX Brookings to South Dakota/Minnesota border 345 kV Transmission Line Project by Case No. EL10-016 (project), and

WHEREAS, in order to complete said project it may become necessary for the Great River Energy, as agent (see attached) (Contractor) to utilize a portion of Township road(s) 207th Street and 487th Avenue of Brookings County for the conveyance of construction equipment and materials to the project site, and

WHEREAS, Contractor or its assignee will restore those portions of said road systems as shown on the attached map(s), after they have been used to convey construction equipment and materials, to the condition which existed immediately prior to its use, and

WHEREAS, an inspection of the proposed route to be so utilized will be made, preferably not to exceed thirty days prior to expected initiation of stated use, at which time the inspection will determine and record the existing condition of the haul roads, including the type, thickness and width of surface materials in place, and

WHEREAS, authorized representatives of Great River Energy (Contractor) and RICHLAND TOWNSHIP, after making said inspection and recording the existing conditions of the haul roads, shall sign the inspection report, agreeing to the conditions stated therein.

NOW THEREFORE, in consideration of the premises, the mutual and independent covenants' and any and all other requirements, agreements and covenants, all as hereinafter more fully set forth, the parties hereto agree as follows:

That, the portions of township road(s) ~~207th Street and~~ 487th Avenue as shown on the attached map(s), are maintained by Richland Township and are those portions which are proposed for use as haul roads, and that, after use of said roads as haul roads for the purposes herein set forth, Great River Energy (Contractor) hereby agrees to restore said roadbeds and road appurtenances to the condition, as reported in the Haul Road Inspection Report if conditions of said roads have changed as a result of the project's use of the same, in accordance with measurements and observations of the inspection party at time of inspection and to the satisfaction of the Township.

IN WITNESS WEHREOF, the said parties hereto have caused this agreement to be signed by their respective and duly authorized officers on the 3rd day of July, 2013.
