7th Revised Sheet No. 1**

GENERAL TERMS AND CONDITIONS

APPLICABILITY

These General Terms and Conditions apply to all classes of electric service unless otherwise indicated on the rate schedule.

CUSTOMER CONNECTION CHARGE

Customer Connection is defined as attaching a Customer to receive utility service upon a request for new service or reconnection of discontinued service (Customer Connection does not include the reconnection of a Customer whose utility services were discontinued due to nonpayment of utility bills. Reconnection charges for such Customers are based on the Company's hourly rates for service work with a one hour minimum.) The amount of the Customer Connection Charge will be \$10.00 for all Customer Connections during normal business hours defined as 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding legal holidays, and \$15.00 for Customer Connections during other than regular business hours. The connection charge will be billed on all Customers applying for electric service. The Customer Connection Charge shall be paid by the Customer receiving power and energy from the Company, and is due and payable upon presentation. If a bill is not paid, the Company shall have the right to refuse service. The Customer, Landlord or representative (at least the legal age of majority) may be required to be present during the Service turn-on.

N
N

ACCESS TO PREMISES

The Company has the right of access to the Customer's premise, including right-of-way, at all reasonable times for the purpose of installing, reading, inspecting, or repairing any service lines, meters, devices, and other equipment and facilities used in connection with furnishing of any or all service, including any necessary repairs and maintenance, or for the purpose of removing its property and for all other proper purposes. In addition, the Company may require the customer, Landlord or representative (at least the legal age of majority), be present when performing work inside a customer's facility.

N
N

OWNER'S CONSENT TO OCCUPY

In case the Customer is not the owner of the premises or of the intervening property between the premises and the Company's lines, the Customer will obtain from the property owner(s) the necessary consent to install, operate and maintain in said premises all such electric equipment as is necessary or convenient for supplying electricity to the Customer.

CUSTOMER'S INSTALLATION

The Customer will furnish and own all interior wiring and equipment for use of the service, conduit for underground services, and all poles, wires, meter sockets, and fixtures necessary to distribute such service from the point of service attachment to the various buildings served. Point of service attachment is defined as that point where the facilities of the Company are physically connected to the facilities of the Customer. In general, the point of attachment on overhead services is where the Company's conductors enter the weatherhead and, for underground services, is where the Company's conductors connect to the top of the Customer's meter socket.

All wiring and equipment furnished by the Customer will be maintained by the Customer at all times in conformity with the requirements of the constituted authorities and with all Terms and Conditions of the Company.
