**RE: In the Matter of Otter Tail Power Company's Rates for Small Power Production and Cogeneration - CORRECTED.
Docket No. EL11-031**

Dear Ms. Van Gerpen:

Otter Tail Power Company ("Otter Tail") submits this corrected filing for approval of updates to Otter Tail's Small Power Producer Riders, Sections 12.01, 12.02, and 12.03 of our Tariff Book. This filing contains only the documents that are corrected from our original filing, made on December 30, 2011.

In this corrected filing, Otter Tail is proposing to update the energy and capacity payments. Otter Tail discovered an inadvertent error in the costing data which affected rates contained in this filing. In addition, Otter Tail made additional formatting changes.

The date of this filing is January 24, 2012. The proposed effective date, with Commission approval, for these rates is unchanged from our original filing - with billings on or after March 1, 2012. As discussed with South Dakota Staff, Otter Tail has no issue with extending the timeline for the proposed changes to take effect past the 30 days from the original filing (December 30, 2011) as prescribed in ARSD 20:10:13:15. If this proposed effective date causes an issue due to our corrected filing, Otter Tail will make changes to the effective date as directed by the Commission.

Pursuant to South Dakota Codified Laws Section 49-34A-10 and Administrative Rules of South Dakota ("ARSD") Part 20:10:01:02:05, this filing has been electronically submitted to the Commission.

Ms. Patricia Van Gerpen
