

BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF SOUTH DAKOTA

RECEIVED  
FEB 27 2012  
SOUTH DAKOTA PUBLIC  
UTILITIES COMMISSION

This **AGREEMENT**, is made and entered into by Grand Electric Cooperative, Inc., of 801 Coleman Avenue, Bison, South Dakota, 57620, hereinafter referred to as **Grand**, and Butte Electric Cooperative Inc., of PO Box 137, Newell, SD 57760, hereinafter referred to as **Butte**; jointly referred to as the Parties.

The Parties hereto agree to be bound by all terms, conditions, promises and obligations herein contained, which include the following:

1. The Parties to this Agreement are electric utilities as defined by South Dakota statute and are actively engaged in furnishing electric services within the state.

2. Pursuant to state law, the South Dakota Public Utilities Commission (SD PUC) has established the assigned service territories of each electric utility operating within the state. The SD PUC prepared, or caused to be prepared, maps showing the boundaries of the assigned service territories for each electric utility.

3. The purpose of this Agreement is to verify and update all existing service territory mapping data for use in a Geographic Information System (GIS). Throughout this process, all mapping data, including: initial territorial agreements, maps, and all territory change agreements, have been compiled and reviewed for accuracy. A legal description was formulated by the SD PUC staff and sent to the Parties for review and verification.

4. During the process of determining the legal description and corresponding maps, the parties identified discrepancies during the review and made necessary corrections to the documents. The mapping data contained in the attached legal description (Exhibit A) and the corresponding maps (Exhibit B) accurately represent the service territories currently served by the Parties. The maps and legal description reflect the corrections made, to include the following exceptions identified:

- 1) One exception in SW ¼ of Section 33, T11N, R7E.
- 2) One exception in SE ¼ of Section 33, T11N, R7E.
- 3) One exception in SE ¼ of Section 32, T11N, R7E.
- 4) One exception in NE ¼ of Section 31, T11N, R5E.

5. Under this Agreement, any changes made to mapping data are to be deemed intentional and a result of the review and exchange of information between the SD PUC staff and the Parties hereto. Any changes in mapping data should be considered a request by the Parties on the SD PUC, for approval of change in service territory according to state law. If approved by the SD PUC, the revised mapping data shall hereafter constitute the controlling service territory designations of the Parties; and as evidence of such territorial designations, the Parties and the SD PUC shall maintain the territorial mapping data and this Agreement.

6. Unless agreed to by the Parties and approved by the SD PUC, no changes or updates of mapping data under this Agreement shall change the service provider for any South Dakota consumer. Each of the Parties shall continue to service existing customer facilities located in the designated area of the other. Such exception shall continue as long as the specific type of service exists, or until such time as is appropriate to renegotiate service rights. The Parties agree that no new connections or hookups will be made in the designated area of the other without an agreement signed by both Parties and approval is received by the SD PUC per SDCL 49-34A-42.

7. This Agreement shall be binding upon the Parties and their successors, assigns, agents and representatives.

8. Approval of this Agreement by the SD PUC shall not in any way constitute a determination by the SD PUC as to the merits of any allegations or contentions that may arise as a result of this Agreement and shall not foreclose the SD PUC from the review of any allegations or contentions that may arise hereafter.

9. This Agreement shall not foreclose the ability of the Parties hereto, to modify the service territory as established in this Agreement through the processes provided under the laws of the State of South Dakota.
