Pierre, SD 57501

RE: EL12-040 In the Matter of the Request for a Declaratory Ruling regarding the Electric Service Territory Boundary between NorthWestern Energy and Codington-Clark Electric Cooperative, Inc.

Dear Ms. Van Gerpen:

Attached is a map that we put together showing measurements derived from actual platted parcels in the $\frac{1}{4}$ section. The plats we used showed distances from the East $\frac{1}{4}$ corner, the measurement for the South Boundary of Government Lots 1 & 2 is from Northwestern's Exhibit B that was submitted on 5/25/12.

Again we do believe that the Territorial Map that has been used since the law was implemented shows the fence line as the natural break and territorial dividing line which is about $\frac{1}{2}$ the Government Lot measurement.

If you should have any questions regarding this submittal please contact me.

Sincerely,

Todd R. Chambers
Director of Operations
Watertown Municipal Utilities
