RE: COMPLIANCE FILING-REVISED  
2013 TRANSMISSION COST RECOVERY ELIGIBILITY AND RATE RIDER  
DOCKET NO. EL13-006

Dear Ms. Van Gerpen:

On February 27, 2013, Northern States Power Company, doing business as Xcel Energy, filed with the South Dakota Public Utilities Commission a petition for approval of our 2013 Transmission Cost Recovery project eligibility, TCR rate factors, and tracker account report. On June 7, 2013 we submitted a supplement to the original petition. The Commission approved the supplement in its ORDER APPROVING TARIFF REVISION dated June 25, 2013. Effective July 1, 2013, the TCR rate factor will be reduced to \$0.000000.

Please withdraw our prior submission dated June 27, 2013. We revised the tariff sheet to include the following language "Effective on less than 30 days notice by authority of the Public Utilities Commission of South Dakota, dated June 25, 2013." in accordance with ARSD 20:10:13:12. We apologize for any inconvenience this may have caused.

*Updated Tariff Sheet*

We have attached a copy of our compliance tariff sheet for your Xcel Energy South Dakota Electric Rate Book.
