

SERVICE TERRITORY AGREEMENT

Agreement made this 16 day of April, 2013, by and between Xcel Energy and Sioux Valley Energy Electric Cooperative (SVE):

RECITALS:

Sioux Valley Energy Electric Cooperative is a rural electric cooperative serving southeastern South Dakota with its principal offices located at 47092 SD Hwy 34, Colman, SD 57017

1. Xcel Energy is an investor owned utility serving southeastern South Dakota with its South Dakota offices located at 500 W. Russell St., Sioux Falls, SD, 57104.
2. Pursuant to SDCL 49-34A-42, et. Seq., both parties have electric service territory established under South Dakota law.
3. Chad Anderson, the customer, owns real property in Minnehaha County which is divided by the service territory line between SVE and Xcel Energy. The property has potential service points in both territories. Anderson desires at this time to receive electrical service from Xcel Energy, at a service point located in SVE territory.

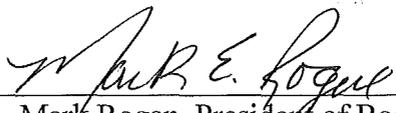

NOW THEREFORE the parties do agree as follows:

1. SVE and Xcel Energy agree that Anderson's interests are best served by receiving service from Xcel Energy.
2. The service point at the new irrigation pivot owned by Anderson in the same parcel of land should be served by Xcel Energy despite being within SVE Service territory.
3. SVE consents to this single exception to the service territory laws.
4. The parties agree that any future instances of service territory points on Anderson's property within either company's service territory will be determined in the future and not necessarily subject to this agreement.

5. The parties agree that there is no change to the service territory boundaries between the companies at this location.
6. The parties agree to jointly submit this agreed upon action to the Public Utilities Commission for approval.
7. A drawing of the service site is attached to the agreement as exhibit A.
