

AGREEMENT FOR ELECTRIC SERVICE TERRITORY EXCEPTION

Sioux Valley Southwestern Electric Cooperative, Inc., doing business as Sioux Valley Energy (SVE) and Ottertail Power Company agree to an exception to the Sioux Valley Energy service territory permitting to provide electric service to the Randy Carper Farms, due to grain handling expansion requiring three phase power, located in the Northeast quarter of Section 17, Township 107 North, Range 51 West in Lake County, South Dakota. A drawing of the service site, Exhibit A, is attached.

The Parties have concluded that, in this instance, the customer's interest will be best served by receiving service from Ottertail Power Company. The Parties also agree that future instances where territory boundaries become a factor should be dealt with on an individual basis.

This consent on the part of SVE is limited to the said service for Randy and Cody Carper Farms and will automatically terminate upon removal or abandonment of such service.

This exception is not to be construed as having any impact upon or indicating a desire to change the service area assigned to Sioux Valley Energy by the South Dakota Public Utilities Commission.
