**RE: In the Matter of Otter Tail Power Company's Rates for Small Power Production
and Cogeneration.
Docket No. EL14-006
AMENDMENT**

Dear Ms. Van Gerpen:

On January 14, 2014 Otter Tail Power Company ("Otter Tail") submitted a filing for approval of Otter Tail's updated Small Power Producer Riders, Sections 12.01, 12.02, and 12.03 in our Tariff Book. Subsequent to this filing and after numerous discussions with Eric Paulson, necessary changes were discovered in Section 12.03. Specifically, the Levelized Capacity Payment values on page 2 were taken from the incorrect column in Attachment 3. Also, modifications were made to the two paragraphs following the table to clarify the calculation of the Capacity Payment. Lastly, page 3 of Section 12.03 is being submitted, changing Midwest Reliability Organization (MRO) to Mid-Continent Independent System Operator (MISO), Otter Tail's current accrediting authority. A red-line and clean version of the amended Rate Schedule Section 12.03 are submitted in this filing.

The proposed effective date, with Commission approval, for these rates is with billings on or after March 1, 2014.

Pursuant to South Dakota Codified Laws Section 49-34A-10 and Administrative Rules of South Dakota ("ARSD") Part 20:10:01:02:05, this filing has been electronically submitted to the Commission.

Ms. Patricia Van Gerpen
