RE: Docket EL14-013 - In the Matter of the Application of Black Hills Power, Inc.  
for Approval of Transmission Facility Adjustment

Dear Ms. Van Gerpen:

Enclosed for filing are the following Black Hills Power's Electric Service Tariffs for the Transmission Facility Adjustment application referenced above:

- Section No. 3C, Twelfth Revised Sheet No. 11 – Cost Adjustment Summary
- Section No. 3C, First Revised Sheet No. 22 – Transmission Facility Adjustment

As provided in the Settlement Stipulation dated May 7, 2014, in Docket EL14-013, Black Hills Power agreed to submit a compliance filing for a revised Transmission Facility Adjustment rate and tariff if the Commission approved the proposed credit/charge method in Docket EL14-037. On May 13, 2014, the Commission approved the method proposed by Black Hills Power to credit/charge the estimated remaining balance in the Environmental Improvement Adjustment through the Transmission Facility Adjustment. Please see Attachment A for the resulting rate calculation and Attachment B for the customer notice.

If you have any questions or concerns regarding this filing, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink that reads 'Jon Thurber'.
