Patricia Van Gerpen, Executive Director  
South Dakota Public Utilities Commission  
State Capitol Building  
500 East Capitol Avenue  
Pierre, SD 57501-5070

Dear Ms. Van Gerpen,

Please accept the following letter from Otter Tail Power Company as an "Official Release" of electric service for Zuehlke Farms located in the SW1/4, SW ¼ of Section 21, Township 127, Range 58 of Marshall County.

The existing three-phase service we are requesting be added to the Lake Region Electric Assn. service territory boundary is a service we are currently supplying power to and billing the Otter Tail Power Company and in turn they have been billing the consumer due to the current boundaries. Otter Tail Power Company does not currently have three-phase infrastructure in this vicinity.

For the convenience of all of the parties, Lake Region Electric Assn. has agreed to provide the three-phase service to Zuehlke Farms.

Lake Region Electric Assn. respectfully requests that the South Dakota Public Utilities Commission approve this Service Territory Exception.

If anyone has any questions, please call me at 605-345-3379

Sincerely,

Tom Lundborg, Operations Manager  
Lake Region Electric Assn.
