

AGREEMENT FOR ELECTRIC SERVICE TERRITORY EXCEPTION

Sioux Valley Southwestern Electric Cooperative, Inc., doing business as Sioux Valley Energy (SVE) and the City of Flandreau (Flandreau) agree to an exception to the Flandreau service territory permitting SVE to provide electric service to Marc Burggraff located in Lots A&B excluding Lot one (1) of Lot A of Elverud's Addition and excluding tract one (1) of Elverud's Addition in Lots A&B, in the east half of Section 27, Township 107 North, Range 48 West in Moody County, South Dakota. A drawing of the service site, Exhibit A, is attached.

The Parties have concluded that, in this instance, the customer's interest will be best served by receiving service from SVE. The Parties also agree that future instances where territory boundaries become a factor should be dealt with on an individual basis.

This consent on the part of Flandreau is limited to the said service for the property that is currently owned by INOR and rented by Marc Burggraff and will automatically terminate upon removal or abandonment of such service. The consent to the territory exception will stay with the property should INOR sell this property. The consent of Flandreau is also agreeable to future development of this site that may require an upgrade of the service.

This exception is not to be construed as having any impact upon or indicating a desire to change the service area assigned to Flandreau by the South Dakota Public Utilities Commission.
