

AGREEMENT FOR ELECTRIC SERVICE TERRITORY EXCEPTION

Sioux Valley - Southwestern Electric Cooperative, Inc., doing business as Sioux Valley Energy (SVE) and Southeastern Electric Cooperative, Inc. agree to an exception to the SVE electric service territory, permitting Southeastern Electric Cooperative, Inc. to provide electric service to a new rural residential service in the Southwest quarter of the Southeast quarter of Section 35, Township 101 North, Range 52 West in Minnehaha County, South Dakota. A drawing of the service site, Exhibit A, is attached.

The Parties have concluded that, in this instance, the customer's interest will be best served by receiving service from Southeastern Electric Cooperative, Inc. The Parties also agree that future instances where territory boundaries become a factor should be dealt with on an individual basis.

This consent on the part of SVE is limited to the said service for Mike VanHove and will automatically terminate upon removal or abandonment of such service.

This exception is not to be construed as having any impact upon or indicating a desire to change the service area assigned to SVE by the South Dakota Public Utilities Commission.
